1 December 1992

Dear JSCOPE Members and Colleagues

We have an excellent program of papers assembled for our annual conference on 28 and 29 January 1993 at the National Defense University (NDU). The response to our call for papers was gratifying. We plan to hand out a copy of each complete paper when you arrive and pick up your registration materials. Thanks to each of you for your continuing interest and active participation.

Attached are the details for this year's meeting including the necessary general information, the agendas, and a registration form. Please respond as soon as possible to Chaplain Burt at NDU so we can make the necessary food and housekeeping arrangements. Please give some thought to the theme you would like for next year's conference.

I am anxious to be with you again and look forward to another stimulating session on issues of interest to us all.

Sincerely

MALHAM M. WAKIN, Colonel, USAF
Chairman, JSCOPE Executive Board
